

Department	Public Studies	Major	All Majors					
Course Name	English Language 1	Course Code	ENG 101					
Prerequisites	None	Credit Hours CRH	3		CTH		4	
			L		P		T	
Course Description:								
This course provides trainees with a solid foundation of basic sentence form and function. It concentrates on grammatical structures, vocabulary expressions often used in technical and professional contexts.								
General Objective:								
The course aims to consolidate student's previous knowledge of English, and bring it up to a pre-intermediate level which enables them continue courses related to their particular majors.								
Detailed Objectives:								
By the end of the course, trainees will demonstrate their abilities to do the following :								
1-	Communicate using work and major-related technical terms and vocabulary.							
2-	Understand simple dialogues, instructions, and descriptions about simple technical topics, objects and processes							
3-	Read various types of technical texts and charts with reasonable comprehension using a variety of reading skills such as skimming, scanning, and reading for details.							
4-	Utilize all available information such as graphs, charts, diagrams, and pictures to understand texts.							
5-	Write short guided texts using relevant vocabulary, basic sentence structure, reasonably correct spelling, and punctuation.							
Safety Procedures:								
1-	The interns must follow the instructions of safety.							
2-	The interns must follow the Islamic ethics in maintaining the cleanliness and safety of the place.
