Course description :

English 1 is a reading course. It is about improving and empowering students' reading skills by exposing them to different types of readings. The students learn the strategies and practices for strengthening comprehension skills, building vocabulary, and test preparation.

Topics :

- Reading for Pleasure:
let's students select their own reading materials to practice new strategies and broaden their vocabulary.
- Reading Comprehension Skills:
covers skimming, scanning, recognizing topics and main ideas, understanding sentences, and making inferences.
- Thinking Skills:
involves targeted practice in inference and analytic skills.
- Reading Faster:
helps students develop speed and flexibility in reading with high interest, short fiction and non-fiction selections.
- Reading Faster texts (which includes different types of readings) Fiction, Biography, Non-fiction

Experiments :if applicable it will support the theoretical topics.
